- Bold retro interior styling
- Powered StudioLoft™ beds
- LED lighting
- Innovative sliding dash Rearview Monitor/Rand McNally RV GPS
- MCD blackout roller shades
- Powered patio awning

WINNEBAGO[®]

On the Cover: 27B Aquarius Graphics

27B Moody Blue with Cherry Cola Cabinetry

A Legend Re-Imagined

Winnebago® ignited the motorhome craze of the late '60s, with its famous “eyebrow” coach design leading the way. The all-new Tribute® took Winnebago’s trailblazing heritage with a fresh take on this iconic design. It is a look that conjures up the youthful enthusiasm you had when you first experienced the motorhome lifestyle, and it is an opportunity to share

that lifestyle with your own family. While the look brings you back, the amenities will keep you moving forward in comfort for years to come. With two versatile floorplans, exciting color schemes, and a price to fit the budget of a young, traveling family, the Tribute is a testament to both our rich history and your bright future in the motorhome lifestyle.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

Turn your cab into a second bedroom with the convenient **StudioLoft™ Bed** that drops down from the cab ceiling for another sleeping space.

Easy-Slide Cabinet Doors make it easier to access your games and supplies with frosted panels that slide open rather than flip up.

The **Passenger Workstation** effortlessly pulls out, allowing you to plan the next leg of your trip.

The **U-Shaped Dinette** in the 27B quickly converts from a dining area to an additional sleeping space.

A **Rearview Monitor System** with Rand McNally GPS slides side-to-side for easy access for both the driver and the passenger.

Full-Extension Drawer Slides make it easy to open drawers wide and maximize their storage space.

TRIBUTE Lounge

Like the classic coaches that took the country by storm in the '60s and '70s, the Tribute is a family-friendly coach that begs to be used again and again. Three distinct floorplans offer a range of furniture options, including the innovative Flex sofa/bed in the 26A. It flips up tight against the wall to provide additional floor space and cargo space. It even has a powered table for an additional work area or serving space. Maintenance is kept to a minimum with vinyl floor covering and vinyl-clad ceiling. Control your lighting and privacy with the MCD blackout roller shades.

27B Moody Blue with Cherry Cola Cabinetry

27B Removable Pedestal Table

27B U-Shaped Dinette

27B Galley

The Tribute's classic styling shines brightest in the galley, where a decorative backsplash and waterfall countertop work beautifully with the rich wood and frosted panel inserts of the easy-slide overhead cabinets. A pull-out sprayer over a deep stainless steel sink makes clean up easy. Everything you need to prepare a full meal is here, which can be served up in the U-shaped dinette (27B) or pedestal table and dinette (26A, 31C).

Easy-Slide Cabinets

HDTV

27B Backsplash

TRIBUTE Bed/Bath

Traveling in retro style gives you the modern conveniences and comforts of present technology such as the walk-around queen bed in the 27B. In addition to multi-functional furniture, each model offers the powered StudioLoft™ bed which descends from the ceiling so it's there when you need it, hidden when you don't.

27B Bedroom

27B Shower

27B StudioLoft Bed

27B Bathroom

Dash

Remember paper maps? The Rand McNally RV GPS Navigation System renders them obsolete. It shares a screen with the Rearview Monitor that is mounted on a console that slides back and forth between the driver and passenger so you can navigate together. The dash radio sets the tone for entertainment with Bluetooth™ connectivity and an auxiliary audio input for connecting your digital devices. Take it all in from the soft and stylish comfort of fully-adjustable Primera cab seats.

Passenger Workstation

Cab Seats

Powered Patio Awning

Five available exterior color palettes will turn heads, but why let everyone else have all the fun? Open up the big powered patio awning, set up your lawn chair, and sit back and admire the one-of-a-kind coach you proudly call home.

Exterior Trunk Storage

Automatic Entrance Steps

Powered Mirrors with Defrost

Stainless Steel Wheel Liners

Fiberglass Roof

The one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Rubber Can't Cut It

Rubber roofs used by competitors can streak and degrade over time.

Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating

An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Laser-Cut Tubing

Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints

Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

**SUPER
STRUCTURE**

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

SUPER STRUCTURE[®]
BUILT TO LAST

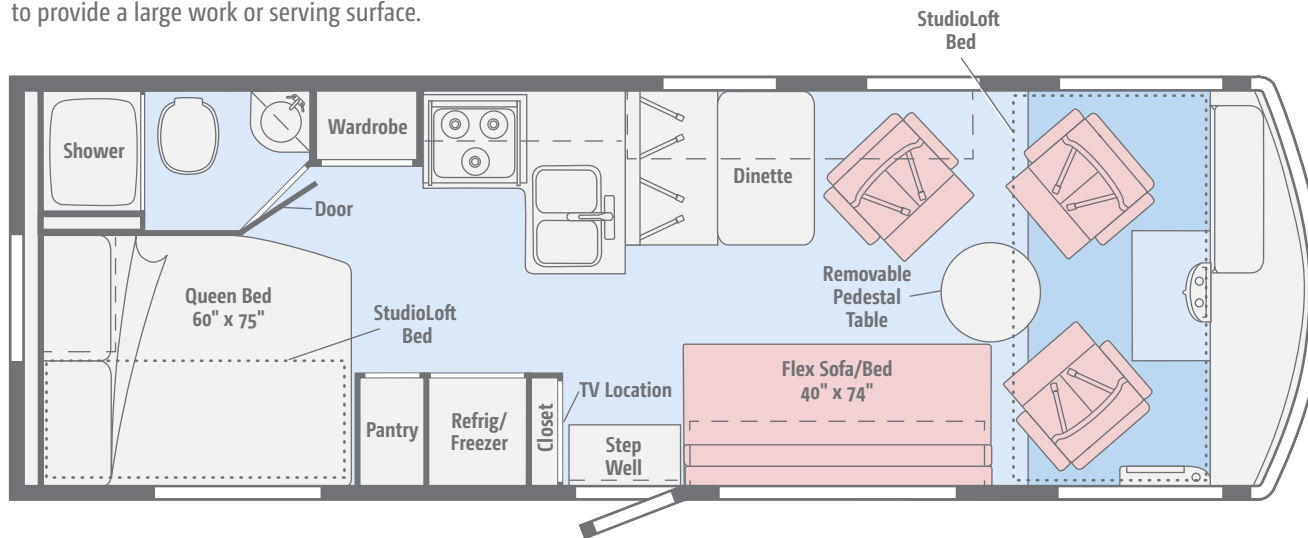

Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a first-hand look at the dedication and technology behind every motorhome we build.

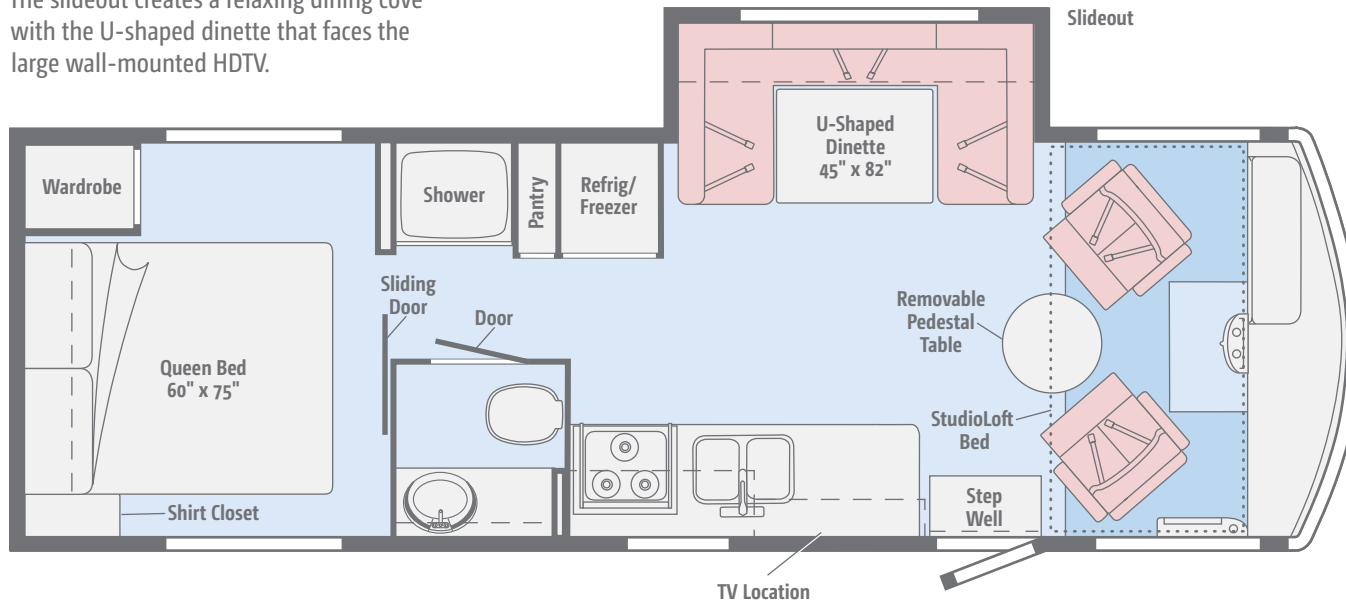

NEW 26A

The flex sofa/bed can flip up against the wall for additional floor space and also features a powered table that flips up to provide a large work or serving surface.

NEW 27B

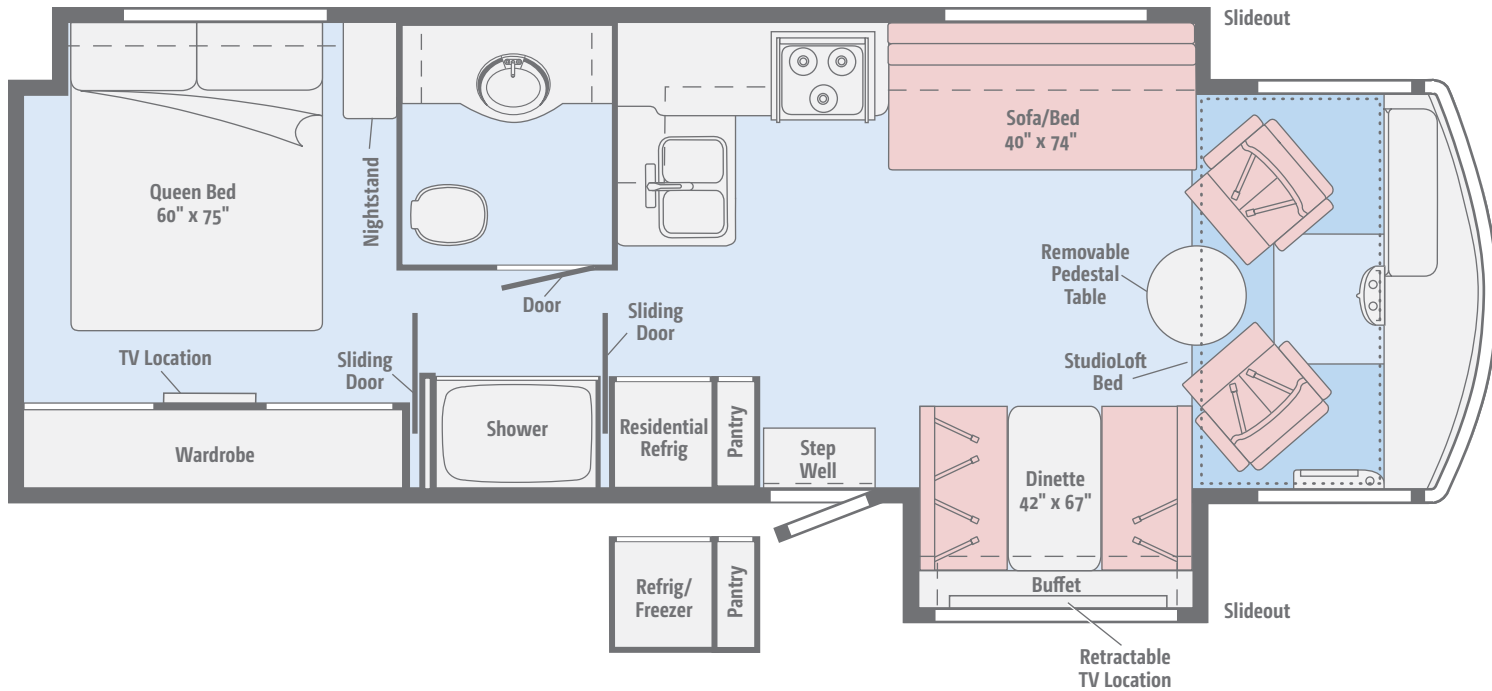

The slideout creates a relaxing dining cove with the U-shaped dinette that faces the large wall-mounted HDTV.

NEW 31C

The full-wall slideout allows for your choice of a king or queen bed, plus a full-size sofa bed facing a retractable HDTV.

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- Floorplans feature a wide-body design – over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- See separate chassis warranty.
- See your dealer for complete warranty information.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.

WINNEBAGO HAS A STORY AND WHAT A STORY IT IS

Looking Back

Take a Drive Down Memory Lane
Our 70th Anniversary begins in the American heartland of Forest City, Iowa over 70 years ago. Here we'll have everything and building high quality, long-lasting recreational vehicles. Here's our story between the pages.

Tell us your story

The story of Winnebago is about the people who love our products and take their wild enthusiasm on the road. Now we want to hear from *you*—your stories. Please, do tell. We promise, we'll tell everyone! All story submissions will receive a Crew t-shirt. Added bonus: If your story is posted to the website, we'll send you a vintage-style Crew T-shirt. Read more about The Crew below.

WRITE YOUR STORY READ ALL ABOUT IT

Join the Crew

Show Your Pride
We're looking for a few good men and women on the road. Start here with the award-winning t-shirt and join The Crew. If you love Winnebago products and want to be part of the crew, you're in! Submit your name and photo to become part of The Crew.

See How Far We've Come

Then & Now

The Crew is Back
To the 70th and The Crew are celebrating a 70th Anniversary with the 70th and 70th Anniversary t-shirt and t-shirt. Submit a photo to join the crew with the original crew and t-shirt.
