FEATURED WINNEBAGO TRAVELERS

Nic and Jess Farish

Full-timers Nic and Jess Farish live and travel with young sons Bailey and Brady in their Winnebago Intent. Prolific writers, photographers and filmmakers, they are active on social media and host their own YouTube channel, among other activities.

"RVing was something we thought would happen in retirement," Nic said. "As our boys got older, we found ourselves telling them they could be and do anything when they grew up. And one day, we realized that we were not doing what we wanted to do."

So they did their research, found their perfect RV, and off they went!
