Forza 38D: Tapestry with Gray UltraLeather

Powerful meets Practical

All the joys of home, far from home. Because there's never just one way to adventure, the Forza is designed with more versatile sleeping and seating spaces than ever. Now you'll have the power to create an exquisitely comfortable environment, no matter the destination.

FLEXIBLE SPACE Slide out and breathe easy. The Forza's large gathering space features up to three slide rooms, BenchMark® Dinette, TrueComfort+ Sofa Sleeper, RestEasy sofa or optional Theater Seating, optimal Versa cab seats and a redesigned optional overhead bunk for even more flexible family sleeping.

CHARGE UP Nightstands with USB charging outlet, 110V outlet, induction charging station and removable shelves for medical equipment allow you, and your devices, to recharge overnight.

OUTDOOR ENTERTAINMENT Don't miss the indoor's greatest hits – even in the great outdoors – with Forza's available exterior 32" HDTV-featured entertainment center.

ELEGANT DESIGN Simple is always sophisticated. Balancing straight lines and curves, these traditional styles create a soothing, comfortable and practical interior, ideal for active households as well as those who love to entertain. A variety of accent hues, textures, and styles ranging from striking jewel palettes to soothing earth tones and taupes, allow you to make the new transitional styling your own. Wood cabinetry. Primera® furnishings. Luxury plank flooring. They all combine to help you create a style that's on trend and high performance.

AMPLE STORAGE What gear should you bring? All of it. Winnebago Industries SuperStructure® integrated with Freightliner's XCS Chassis provides up to 228 cubic feet of exterior storage, leaving you plenty of room for all your favorites.

Versa cab seats offer optimal seatbase placement with enhanced range of motion, driving comfort, and swivel to become an integral part of the living space.

Enjoy residential sized appliances like the two-door refrigerator/freezer and Corian countertop for easy clean-up in the galley.

The private rear bedroom provides a peaceful sanctuary at day's end, with wardrobe and nightstands, charging stations, and a comfortable king or queen bed.

A midcoach hobby station (38D) provides extra countertop space for entertaining, and quickly converts to a bed for an extra overnight guest.

WINNEBAGO DESIGN STUDIO

The Winnebago Design Studio originated from our “voice of customer” listening, and addresses the desire for an RV that can be decorated more like a home to reflect your personal style.

These exclusive new interiors from the Winnebago Design Studio feature neutral color palettes and clean, sophisticated designs that serve as the perfect canvas for your own imprint.

Changing just a few basic decor items allows you to create an interior that reflects the occasion, your destination, or even your mood.

The Winnebago Design Studio has curated four collections including Up North, Lakeside, Seaside, and Contemporary. All designed to help you create your own interior masterpiece.

Designed for Adventure

For the boundless adventurers who have a drive for discovery and what's next, Winnebago provides a community united by pride and a sense of belonging. With our commitment to unprecedented craft and innovation, we'll help you take your vehicle further, for longer. So that you can always be bound by the adventure ahead.

BOUND BY THE

Both powered patio awnings feature efficient LED lighting, and auto-retract when high wind is detected.

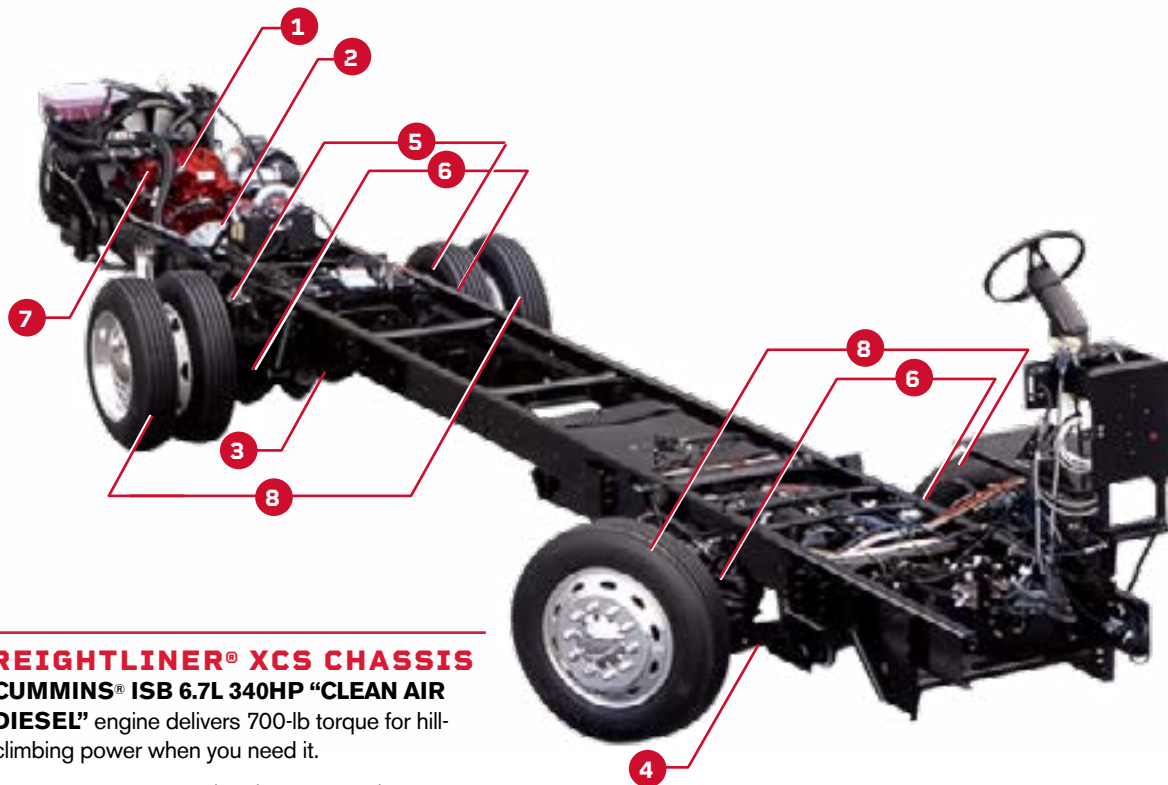

Freightliner's customizable DriveTech system makes driving more comfortable, and prioritizes safety by putting every command at your fingertips.

The Forza offers up to 228 cubic feet of storage, including pass-through compartments to handle bulkier items.

Variable LED undercarriage lighting lets you add a soft ambience to suit the occasion.

FREIGHTLINER® XCS CHASSIS

- 1 CUMMINS® ISB 6.7L 340HP “CLEAN AIR DIESEL”** engine delivers 700-lb torque for hill-climbing power when you need it.
- 2 ALLISON® 2100MH (34T), 2500MH (36H, 38D, 38F, 38W)** 6-speed automatic transmission includes a touchpad control for ease of use.
- 3 REAR AXLE** incorporates proprietary gear machining for a smoother, quieter ride.
- 4 SACHS SHOCKS** deliver a smooth ride.
- 5 V-RIDE** rear air suspension provides consistent handling.
- 6 4-WHEEL ABS ANTI-LOCK AIR BRAKES** provide fast stopping power.
- 7 EXHAUST BRAKE** uses the engine to slow the coach, promoting longer brake life.
- 8 MICHELIN® TIRES** and polished aluminum wheels.
