

Fiamma Carry-Bike Rack

Airstream teamed up with the experts in RV bike carriers to co-develop a unique bike carrier customized for your Airstream travel trailer. Precision-manufactured from extruded aluminum, the Fiamma bike carrier is both light-weight and strong.

- Holds up to 2 bikes
- New steel components to help reinforce the mounting points and frame
- Weight capacity to 165 lbs. (75kg)
- Not compatible with Basecamp or Bambi
